

NIKKI'S

SHOREDITCH

Step away from the ordinary and host your next event at Nikki's. Like the nightmare girlfriend your mum warned you about, you never know where the night will take you with Nikki.

Taking inspiration from the likes of Quentin Tarantino and his badass female characters, the space offers up a mixture of trash TV, 90s nostalgia and garish pops of colour. Nikki's is a place where you regret nothing and embrace everything.

Nikki's is the ideal spot in Shoreditch to host your next corporate function. The natural daylight makes it a great choice for any daytime hires and it's also a guaranteed hit for your next big corporate party.

Leave your cares at the door and make choosing your next drink your only concern. Take the ride of your life with a killer cocktail list that will keep you coming back for more.

“ We booked Nikki's for our annual work Christmas party. From the get-go they were perfect, very accommodating working around our budget, helpful offering different food & drinks packages. Enthusiastic and personable through the whole process. The venue is amazing the perfect size and fun décor. The drinks and food were delicious. All together an amazing night and many colleges said it was the best work Christmas party they had been to! Would highly recommend and hope to book again next year! ”

CAPACITY 250

Home to debauchery and fun, Nikki's is a place where leaving your inhibitions at the door is encouraged and good times are guaranteed. Based in the heart of Shoreditch, with an infinite sunset lighting up the roof, you'll be driving into the distance with a cocktail in hand.

With large booth seating against the walls, we can cater for groups large and small. Our infamous motel bed is tucked around the corner, the perfect place for team pics and 5* Instagram snaps. Movable tables in main bar make the large space very versatile and can be transformed to suit photo shoots, meetings, drinks receptions and large corporate events.

*Nikki's & Tonight Josephine Shoreditch are located in the same venue and can be hired as one venue together. The two spaces combined have a capacity of 400.
