

“Tonight Josephine Shoreditch is one of the most Instagrammable destinations in the city and was the perfect venue to host our NARS influencer event. The events team are wonderfully organised and work closely with you to make absolutely every element of your launch as seamless as possible. The bespoke cocktail options are incredible and the branding opportunities are endless. The catering from Dip and Flip went down a treat with our guests and the team were great at being flexible with the menu and display options. ”

COCKTAILS FOREVER

LONDON, BIRMINGHAM, CARDIFF, LIVERPOOL & BRISTOL

London, Birmingham, Cardiff, Liverpool & Bristol's sassiest cocktail bars, with iconic neon signs and glittery walls a plenty. Based on the debauchery of Josephine De Beauharnais, Empress of France and original 'it girl'. Living life with the motto "c'est la fucking vie", Josephine never held back. She was an unapologetic hot mess. A hit on the dance floor, and great in the sack.

The story started in Waterloo and has extended to include 6 further venues across the country.

Female empowerment is our vibe, but don't be put off by the pink. Some of our best client feedback has come from corporate groups of men and women alike.
