El Jimador Blanco Tequila,
Lime, Agave

Make it a Picante?

To add a little heat,
just say!

In the back streets of Jalisco, traveler, Ferdie Ahmed, stumbled into a raucous Mexican party. Fuelled by tacos, Tequila, and the heat of the night, illicit scenes went down. Rubbing shoulders with everyone from the cartel to luchadors, it was here he had his first taste of Picante.

A classic Margarita but with fire in its belly - zesty lime, flamin' chillis and only the best agave. He promised to bring the heat back to his neighbourhood - and that promise, he kept.
